

MAKE IT STICK

4 Simple Ways You Can Make This Lesson Stick With your Kids

Jesus' Birthday Lesson 3

THIS WEEK'S LESSON: THE PARTY GUESTS

IN THE CAR:

On your next drive, play some Christmas music that emphasizes Jesus. Talk about who you know that needs to know about Jesus. How can you and your kids share Jesus with them?

HANGING OUT:

With a group of kids, play Cellular Telephone. It's like the old telephone game, but with kids spread out throughout the house or yard. At the end, come together and see what the message you started turns into. Remind kids that we want to tell other people all about Jesus and his love.

AT DINNER:

During the meal, talk about ways that Jesus shows us his love. Look back on your day and recall times that you were able to show love to other people.

AT BEDTIME:

Snuggle up and read this week's Bible story found in Luke 2:8-20 from a kid-friendly translation or story book. Talk about how we can share the story of Jesus and the love of Jesus with other people.
