

MAKE IT STICK

4 Simple Ways You Can Make This Lesson Stick With your Kids

Jesus' Birthday Lesson 4

THIS WEEK'S LESSON: THE GIFTS

IN THE CAR:

On your next drive, play some Christmas music that emphasizes Jesus. Talk about Jesus' love, and how his love allows us to love.

HANGING OUT:

Remind kids of how the Magi gave gifts to show their love and worship of Jesus. Because he loves us, we can love him. Using Legos or modeling clay, have your little ones make a "gift for the birthday boy."

AT DINNER:

For dessert one night, serve up cupcakes (or even a full size cake) and celebrate Jesus' birthday. Put a candle in each cupcake and sing Happy Birthday to Jesus.

AT BEDTIME:

Snuggle up and read this week's Bible story found in Matthew 2:1-11 from a kid-friendly translation or story book. Talk about what we can give Jesus to show him that we love him.
